RECYCLING COLLECTION FOR BERRY - August 4, 18. September 1, 15, 29. October 6, 20

Fire Permits in rural areas.
Permits are not currently required in the Shoalhaven Rural Fire Service area but this is likely to change very shortly as most other areas in NSW have brought the Fire Permit period forward to commence on August 1st. Landowners are still required to give all adjoining property owners 24 hours notice of lighting a fire. A responsible adult should supervise the fire while it is burning. The fire should not be lit if the smoke is going to cause a hazard to neighbors or smoke hazard on roads etc. Please check with the local RFS on 0402 415 533.
