

BERRY HOSTS GROUP 7 GRAND FINAL AT BERRY SHOWGROUND

All roads will lead to the Berry Showground on Sunday September 12th as the Group 7 Seniors Grand Finals will be staged at the picturesque ground on the above date. The staging of the Grand Final at Berry is a tremendous coup for the township and the Berry Shoalhaven Heads Rugby League Football Club as it will definitely generate tourist dollars for our businesses that have supported Rugby League over the previous years.

The last time a Grand Final was held at Berry Showground was 1989 where local football godfather Allan (Ted) Bowley was on the losing side whilst playing for Gerringong. Allan is now President of the Berry Shoalhaven Heads Rugby League Football Club and also still plays in the Berry Reserve Grade side.

As finals are still being played teams to play the Grand Finals are still not decided however, Berry First Grade are making a late charge for glory after defeating Shellharbour 28-24 and Albion Park 48-28 in the semi final series. The Reserve Grade, being a form team in the competition throughout the

season are a strong contention for the Finals.

The Group are confident that the teams playing on September 12 will have a strong following and the Berry Shoalhaven Heads Rugby League invite all members, sponsors and supporters to come along on the day and join us in the atmosphere of the day.

Refreshments throughout the day will be available for our valued sponsors, any enquiries Greg and Nerida Flood at the sponsor tent. Barbeques, drinks and a well stocked Canteen to cater for your needs will be available at the grounds. Parking will be available, thanks to the local Fire Brigade for their generous support.

A great day will be had by all so please all come along and support the town and the local football club - see you at the game.

Any information or further details -

G. Dudgeon 0412884320

or

Secretary D. Moore - 44641444.

Community Forum on our Navy *Neighbours*

HMAS Albatross are our guests at the next Forum. They will present a static Display of maps and photographs of the area including their flight zones. There will then be a short presentation on what the Navy does in the Shoalhaven and an opportunity for questions and discussions.

The Berry Alliance welcomes this opportunity that HMAS Albatross is affording our community. We have been having discussions regarding something like this for some time now and we are very happy that a date has now been set.

The Navy has also agreed to provide the Navy band and a helicopter at the Berry Showground on **Sunday 17 October** as part of the Shoalhaven Jazz and Heritage Festival.

Please come along to the forum. **Monday 20 September** at the Berry Courthouse

6.30 pm - Static Display

7.00 pm - Meeting to commence

**Shops 2 & 3,
70 Albert Street, Berry
Ph: (02) 4464 3177**
