# Seasons Greetings from the Editorial Committee

The Committee sends you and your families our very best wishes for a happy, healthy and safe 2026.

Our key message has always been that "a well informed community, will always make better decisions and help create a better place to live for everyone."

A community that shows respect to others even when you disagree with them on an issue is something that we all want to maintain.

Acting together and giving respect and receiving respect back for your views is always worth striving for.

Celebrate the great and wonderful things that, as a united community we have helped to achieve in the past and are continuing to achieve.

Look at articles in the Town Crier from some of our wonderful community groups of volunteers such as

**Pink Up Berry** with their record local fundraising. Congratulations to Deb and her team!

**Rotary Club of Berry** with their vision and drive to create a great Dog Park in Berry. Congratulations to Rotary. [See page 4 of this issue.](#)

**The Shoalhaven Education Fund** who this year are celebrating a record \$1 Million raised and expended in grants that help their recipients

gain an education. Congratulations to Sophie and her great team! [See page 8 of this issue.](#)

**The David Berry Hospital Auxiliary Committee** led by Irene Birks and Margaret Walsh for their championing the protection and retention in public hands of the David Berry Hospital. [See page 19 of this issue.](#)

**The Berry and District Historical Society** for their preservation of a lot of the history of Berry and their talks run on the earlier, First Nations history of Berry with Uncle Gerry Moore, Lisa Ogle and others. Congratulations Margaret Cullity and Gail Paton and their Committee. [See page 17 of this issue.](#)

There are also:

all our **Volunteer and other first responders**. We are fortunate to have them and proud of them all.

Fire Brigades, Ambos, Police and others.

The strong charities and their leaders – A Taste of Paradise Farm with Tim and all their team; SALT Ministries with Pete and Megan and all their team. Plus others.

Meals on Wheels, Sporting clubs, volunteers everywhere.

Where do you stop? These are just a sample of what we are proud of.

Congratulations and thank you all.

efficient lighting upgrade, this project is saving an estimated 129 tonnes of CO2 equivalent emissions every year.

- In 2023 Council led a Power Purchase Agreement with neighbouring Kiama and Shellharbour Councils to secure reliable and affordable renewable energy from wind and solar farms in regional New South Wales. Council is currently utilising 25% renewable electricity through this agreement to power its large energy sites, and will continue to increase its use of renewable electricity, adopting 50% renewables by 2025 with a goal to adopt 100% renewables for all of its electricity needs by 2030.

#### Renewable energy targets

To guide our actions in reducing energy and emissions, Council's Sustainability and Climate Policy outlines a commitment to achieve net zero emissions by 2035, with an interim target of a 50% reduction by 2028.

Council's Sustainability and Climate Action Plan and Sustainable Energy Strategy include a number of key commitments to help achieve this goal, including to:

- Upgrade all streetlights to energy saving LEDs by 2023.
- Source or generate electricity supply for our operations from renewable energy sources, with interim targets of 25% renewables by 2023 and 50% by 2030.
- Support our community to transition to clean renewable energy and install rooftop solar panels, with a target of 33% of all dwellings by 2025.

## BERRY MEN'S SHED

# CELEBRATING ANOTHER SUCCESSFUL YEAR

The BMS enjoyed another successful year with increased membership, increased jobs to complete and two successful sales, one in Broughton Mall and the other combining with the Berry Uniting Church car boot sale in November.

In addition, Rob Blissett was appointed as our new Chair replacing Steve Ford who had held the position for 3 years. On behalf of the members a special thanks to Steve for an excellent job during this period. Our Scholarship programme in conjunction with the Uniting Church continued with Bomaderry, Nowra and Shoalhaven High Schools once again was well received by the schools and the students. We look forward to continuing this programme in 2026.

If you are interested in joining our Shed or just calling in to see what we get up too, we are open on Tuesdays and Thursdays at 146 North Street Berry.

Redberry Quilters are starting off the 2026 year on Friday 23rd January with a sewing morning where they will be making items for the upcoming Berry Quilt Show, to be held on the first weekend in May. The show will feature a shop of hand-made items ranging from quilts, to all sorts of lovely hand-made gifts and practical items.

2026 is a big year for Redberry Quilters. In addition to the bi-annual Quilt Show, a range of guest speakers have been lined up for the monthly meetings,

held on the 4th Friday of each month. Everyone, (not just members) are welcome to come to these, starting at 9.30 in St. Luke's Hall, Berry. There are also two weekend workshops planned for this year, one with well-known quilter Rachel Daisy in July and one with quilter and embroidery artist Karen John in November. Spaces are limited in these workshops, but anyone who is interested should get in touch with Redberry.

### Redberry sewing mornings – 2nd Friday of the month

Redberry meeting and Guest Speaker mornings – 4th Friday of the month. Both held at St. Luke's Hall, Princess St, Berry. All welcome!

## New schedule for Council meetings

PUBLISHED ON 12 JANUARY 2026

### Ordinary Meetings will move from fortnightly to the fourth Tuesday of each month with the introduction of a new Code of Meeting Practice in 2026.

The change follows the release of the Model Code of Meeting Practice by the Office of Local Government in August last year which required all NSW councils to incorporate mandatory provisions by 1 January 2026.

Mayor Patricia White said the aim of the new Model Code is to promote transparency, consistency and community confidence in Council decision making.

“The biggest change is the move to monthly meetings which will give Councillors more time to read complex reports and better engage with community feedback before decisions are made,” Cr White said.

“The other major change sees the introduction of a Public Forum one week before each meeting where members of the public can speak on items to be determined by the Council at the next Ordinary Meeting. Deputations will no longer be part of the Ordinary Meeting agenda,” she said.

“While there will be fewer meetings each year, I’m looking forward to better quality decision making and better outcomes for the community as a result of the more streamlined scheduling of meetings.”

The first Ordinary Meeting for 2026 will be held on Tuesday 27 January

with the business papers – the items to be considered by Councillors – available from Thursday 15 January.

Key changes in the new Code of Meeting Practice and Public Forum Policy for 2026 include:

- Greater lead time for the Ordinary Meeting business papers (agenda) to be made public, with papers published on Council's website on a Thursday, 12 days prior to the meeting.
- Removal of Deputations from within the Ordinary Meeting and replaced with a live-steamed Public Forum the week before the Ordinary Meeting.
- Councillor participation via audio visual link during Council meetings will be restricted to specific circumstances and subject to permission being granted by resolution of the Council.
- Discriminatory behaviour is now explicitly defined as disorderly conduct, empowering the Chair to act on inappropriate gestures or behaviour of those in attendance, not just verbal comments.
- No pre-meeting briefing sessions for Councillors.

**FOR THE UPCOMING MEETING DATES AND MINUTES HEAD TO COUNCIL'S WEBSITE.**

## Shoalhaven Education Fund raises \$1million for local youth

As we start 2026, the Shoalhaven Education Fund Committee is delighted to announce that it has reached a huge milestone, passing the \$1 million mark in funds raised and granted. Since its establishment in 2013, the SEF has granted a total of \$1,059,289, with every dollar raised distributed directly to help Shoalhaven school leavers pursue university degrees, TAFE courses, apprenticeships, traineeships and entry-level employment. Over that period, 486 students have been supported, with many receiving assistance across multiple years as they progress through their chosen pathways. Demand for support continues to grow year on year.

For 2026 alone, SEF received 107 applications, reflecting a sharp increase in demand. From these, 59 students have been awarded grants totalling \$133,500. While the SEF is proud of this milestone, the rising number and complexity of applications highlights that need is accelerating faster than available funding.

With approximately 95 per cent of SEF recipients completing their chosen course of study, many alumni have since returned to live and work in the Shoalhaven, including nurses at Shoalhaven Hospital, teachers in local schools, social workers, veterinarians and tradespeople. These outcomes reflect the SEF's belief in the long-term value of investing in local young people and strengthening the region's future workforce.

The Berry Community has always been at the heart of the SEF, with local businesses, individuals and community groups supporting our fundraising efforts, some having done so ever since we first started. We are enormously grateful for this ongoing support and delighted that the community's efforts have gone to support many recipients from Berry and surrounds.

The SEF hopes to continue its work for many years to come. However, as a volunteer run organisation, we are desperately in need of more volunteers who are willing to take on some of the work of running the organisation. If you can spare a few hours a month and would be interested in exploring how you can help the SEF, please email our Chair, Sophie Ray, at chair@sef.org.au

## PLANT PROPAGATION NURSERY

**Growing Plants Growing Community**

### Plants, pollinators, co-evolution and mutual benefits

Not all plants are pollinated by birds and bees. Some plants have co-evolved with a single specific pollinator and some tiny, (often unnoticed) pollinators are opportunists.

**Bolwarra** – *Eupomatia laurina* Bolwarras flower over a few weeks between Christmas and New Year. The unusual primitive flowers last only one day. The flower blooms in the morning, revealing a ring of creamy white fertile stamens which are shed by the afternoon, so the pollinator needs to find and pollinate the flower within that small window of opportunity. The flowers have a distinct smell (like nail polish remover) which attracts its only pollinator, the co-dependent tiny wasp/beetle *Elleschedes hamiltoni*. Bolwarra is related to Magnolias, both plants evolved before the evolution of bees.

Flowers opening in the morning

Beetle pollinating the flower

Co-dependent beetle

**Little breynia** – *Breynia oblongifolia* Little breynia is host to thrips and leaf flower moths which pollinate the tiny flowers. The pollinators lay their eggs in the flowers and fruits where the larvae opportunistically eat out some or all of the developing seeds.

Little breynia flowers

Little breynia fruits

Tiny thrip

**Sandpaper fig** – *Ficus coronata* Fig trees are unique because the tiny flowers form inside the fruit. A tiny female fig wasp recognises a specific scent of a fig and enters through a hole near the top of the fruit. She lays her eggs then dies inside the fruit. The male offspring are wingless. After the offspring mate, the female collects ripe pollen from the flowers then leaves the fruit and flies to another fig tree and the process is repeated. Fig wasps can only mate inside the fig flower.

# COFFEE AND Friends

We are excited to welcome back Patrick De Gabriele as our first speaker for 2026. Patrick has visited Egypt many times over the years and has got to know and appreciate the culture of the Copts, the world's oldest Christian denomination.

The Copts claim to be direct descendants of ancient Egyptians, and are now an embattled minority in a Muslim-dominated society. His talk will be looking at a thriving desert monastery, the fine churches of middle-class Old Cairo, and so-called 'Garbage City' where the poorest live and work.

Everyone is welcome on Wednesday 25th February at 10am Uniting Church Hall, 77 Albert Street.

The Third Wednesday Book Group returns on Wednesday 18th February at 4pm. It is a friendly, relaxed group and instead of concentrating on a book a month, we have a monthly theme and each person can choose their own book to read based on the theme.

For more information ring Janet 0425 220 258

## Berry Community Library

The Community Library re-opened on the 19th January and it's been great to welcome borrowers back for what we hope will be a great New Year. Our outdoor shelves were well used over the Christmas period and will be re-stocked regularly this year for people to borrow when the Library is closed. Many more books were donated over the holiday period and we have been working hard to get them onto the shelves ready to borrow.

Follow us on Facebook to keep up with our activities.

### LIBRARY OPENING HOURS

For more information contact Janet on 0425 220 258

Zonta Berry is the local chapter of the international human rights organisation Zonta which advocates for women's equality, education and an end to child marriage and gender-based violence.

Sunday 8th March celebrates International Women's Day (IWD) and this year's global theme is "Give to Gain: Forging Gender Equality Through Generous Giving" – focusing on the impact of giving time, knowledge, advocacy and resources to uplift women everywhere to create success. Zonta Berry will be celebrating IWD with a High Tea on Friday 6th March from 2-5pm at the Berry Courthouse. We are delighted to have our first ever female MP for the Kiama state electorate, the Hon. Katelin McInerney as guest speaker. Tickets are \$40 pp and available via the QR code below or the weblink. Come join us for a glass of bubbles, light refreshments and an inspirational talk. Zonta Berry is always looking to welcome new members to our group of women. Meeting venue has changed and meetings are now held from 630 pm, last Wednesday of the month at the Raine and Horne Boardroom, 94 Queen St Berry. We usually meet for a drink and a light meal prior. If you are interested in either joining or just trying out a meeting please contact Barbara Davis, Zonta Berry President on 0402 394 211

# WELCOME TO 2026

As we step into **2026**, the Berry property market continues to be driven by quality homes, strong buyer demand and a community that remains one of the most sought-after lifestyle destinations on the South Coast. A new year brings new opportunities — whether you're considering selling, buying, investing or leasing, now is the time to start the conversation and plan ahead.

For another year running, **Raine & Horne Berry enters the year as the region's leading agency**, backed by the area's top-performing agents and a proven track record across residential sales, acreage, lifestyle property and property management. Our results aren't accidental — they're built on local knowledge, consistent buyer engagement, sharp marketing and honest advice at every stage of the process.

What sets us apart is simple: **we sell more property, achieve stronger outcomes**, and deliver a level of service that keeps clients coming back and recommending us year after year. In a market where strategy matters more than ever, experience and execution make the difference.

If 2026 is the year you're thinking about making a move — upsizing, downsizing, investing, leasing or selling — **we're here to help you navigate it with confidence**. We look forward to working with you and continuing to set the benchmark for property transactions in the Berry region.

Here's to a big year ahead.

## The Berry & District Historical Society

### David Berry Hospital and a new donation at the Museum

Our David Berry Hospital and its future has been very much in the news lately with the NSW Health Department holding forums, and 'drop-ins' to get an idea of what the community, and especially the Berry Community, wants for its future use.

By coincidence, the Museum recently received a donation of a Nurses' Dictionary from a former Staff member. She is now in her 90s and lives in the ACT. She did not want to throw it away so sent it to the Hospital who passed it on to us.

The Dictionary has an interesting history. The donor, June Bunter (nee Brooks), had started as a wards maid at David Berry Hospital in 1948. Matron Margaret Dillon was in charge at that time and encouraged her to do her General Nurses Training, which she did at Bowral Hospital – 1952 to 1956.

When she left to start her training Matron insisted on giving June her own personal Nurses' Dictionary which had travelled with her all through WWII. (Matron Margaret Dillon died in 1954 and her funeral was held at the Catholic Church, Berry)

June felt that it was her way of saying 'travel safely' and she has treasured it ever since.

Now it is in our safe keeping, may it help David Berry Hospital 'travel safely' in its unknown future.

**As 2026 kicks off the Berry Evening VIEW Club welcomes new members to join and enjoy the camaraderie at the Berry Bowling Club, when we meet for our first dinner meeting of the new year on Wednesday 18th February.**

VIEW, which stands for Voice, Interests and Education of Women, is a network close to 300 clubs and over 14,000 women throughout Australia. It provides a place for women to connect in the community, enjoy social activities, and develop lasting friendships – all while supporting the work of children's education charity, The Smith Family.

Berry Evening VIEW Club assists the Smith Family's endeavours by fundraising in various ways. We presently support five children in our region, but we need more members to join us. You will enjoy the company of like-minded women whilst raising money in fun activities.

To find out more about joining VIEW, visit [view.org.au](http://view.org.au) or call 1800 805 366. To sponsor a child through The Smith Family, visit [thesmithfamily.com.au](http://thesmithfamily.com.au) or call 1800 633 622

Ring Jan Chambers (0490 054 574) for more information to book for the evening. We welcome new members and guests.

**THE BERRY COURTHOUSE NEWS**

A busy (and at times, very hot) time in Berry and at the Courthouse as well. Our committee always take time over the holiday period to catch up on some of the maintenance that always goes with a very old building, especially an historic building that is listed and protected by the National Trust.

The gardens always need some work and the really hot period requires more than pruning the roses.

The gardens are looking great but we, like others, suffer from a few rabbits who have decided the hedged garden is a really nice home for them. If anyone has a good and kind solution please email us.

Our sign has now fallen down due to rot and we are currently working on the replacement. We are very fortunate to have a local benefactor / friend who has very kindly offered to assist in the cost of this.

We had some weddings leading up to the holiday period and there are some more coming soon so everything must be just right for that.

We love hosting local people and families for their wedding and have held many of these over the 25 years. It is a pity that our numbers are restricted and some of them have just too many guests to fit what we have to offer. One solution has been to hold the ceremony in the gardens and go on to the family home, the Berry School of Arts or another venue for the Reception. If you have a wedding coming up in your family please consider us. All the funds raised go toward our whole purpose of being, to protect and preserve this historic building.

We are showing quite a few couples around at the moment.

Looking forward to hosting another Community Groups Leaders Get Together shortly. These are always a great event where the leaders of many of our Berry community groups get together over a glass of something and some nibbles and exchange information with the others.

Our last one in the second half of last year benefitted from hearing a lot of successes, challenges and new ideas or initiatives such as the Rotary Club of Berry spoke about their project – the Berry Dog Park – Off Leash Area which is quickly gaining momentum.

Future community group events include one for Zonta Club of Berry who raised a lot of funds at their last event here.

## BERRY RIDING CLUB

### News @ Berry Riding Club

2026 is already off to a flying start. Twilight Jumping, during January drew in our eager show jumping crowd, who enjoyed the afternoon cool breezes and colourful sunsets. Dates for our regular training events and competitions for dressage, show jumping and working equitation are being locked in and will be published on our web site and Face Book page.

It's going to be a great year, with two Eventing competitions being added to our calendar. After putting in an enormous amount of effort to build sets of super safe eventing jumps, it is exciting to see riders enjoying them. Each set has a beginner height jump for newcomers and the other jumps in the set go up in graduated steps, for the more experienced riders. With this exciting addition to our schedule, Berry Riding Club is proud to stand by its original vision, to be fun for everyone. That is, to actively introduce and encourage new and young riders to learn about and try different disciplines.

We are now ready to host an Eventing One Day Event, set for Easter Sunday. It's the first one organised by BRC since 2005. A One Day Event is quite a challenge, testing riders and horses in Dressage, Show Jumping and Cross Country Jumping.

The second Eventing date will be later in the year, in November. It's called a Hunter Trial that takes in just the Cross Country element. In the Chinese zodiac, 2026 is the year of the horse. Happy New Year!

## DAVID BERRY HOSPITAL AUXILIARY

The Voice of David Berry committee members were fortunate to have a meeting with Katelin McInerney MP Member for Kiama, in December, to discuss planned usages for David Berry Hospital. Government agencies involved in the future health uses will include NSW Planning, Health, Ageing and Federal Departments of Health and Ageing.

Consultation processes are continuing with the local indigenous communities. Future focus groups with the community may also continue in 2026.

The earliest the current units will move from DBH to Shoalhaven Hospital is 2027. There will be a formal NSW Health Department update in the first quarter of 2026, to advise their timeframe for an eventual notification of what may occupy the David Berry Hospital site. No suggestions from the focus groups held in 2025 are "off the table" at the present time.

Our street stall in December, although held on a very wet day, was a great success, and a big thank you to all who braved the rain to support our hospital.

We wish all our community a very happy and healthy 2026, and a year of peace and respect to our fellow men and women.

**The auxiliary meet on the second Monday of the month at 10am in the Uniting Church Hall Berry. New members are most welcome.**

## AUSTRALIAN RED CROSS BERRY BRANCH

**The end of the year is always a busy and happy time for our Branch.**

We deliver hampers to the two Berry Rural Fire and Rescue Units, our Local Ambulance Station staff and the Nowra Homeless Hub.

These hampers are in the name of the 'Members of Berry Red Cross', not Red Cross proceeds.

The end of the year, members donate items eg tinned food, cereals, biscuits, soap, treats, laundry items, shampoo and so much more.

During the year, at our monthly meetings, members put a dollar or two in a box, which is used to purchase anything missed to top up the hampers.

The Fire and Ambulance Stations received a small basket of snacks, coffee, tea, muesli bars, chocolates, soups and sweets, for their staff room, something to grab on the rush out to a job.

The Homeless Hub received 4 boxes and a large basket, all full of grocery and personal items. Amazing work they do, caring for the homeless and those otherwise in need.

As our members all live in the Berry area, we appreciate these Services and happy to support them in this way. They were all so excited and grateful to receive the gifts.

At the Berry Public School December Assembly, President Irene presented a cheque for \$1,182 to the School Ensemble. This the final cheque from the large bequests given in 2006, from the estates of two long standing members of the Berry Branch.

Winifred Irene Kellett (known as Rene) and Daphne Inez Keevers. They were sisters, both born in Berry and lived most of their life in the town and were very well known for their volunteer work in the local community.

At the time, after consultation with the Finance Committee of Australia Red Cross and the Principal of the Berry School it was decided that part of the bequests be invested and used to sponsor the Berry School Ensemble, for the amount of \$1,000 each year, for as long as the investment continued. This was a fitting tribute to Rene and Daphne, who requested their bequests be used in the local area.

This final cheque, made a total of \$18,182 in sponsorship to the Ensemble and always very gratefully received by the School Principal and children.

The Berry Merry Christmas Street Parade is always a great event to attend, Irene, Sue, Margaret, Kate and Marilyn walked proudly with the Australian Red Cross Banner. There was a huge crowd all along the main Street and cheered as we passed. We always look forward to our yearly lunch in January and no doubt it was a great get together with lots of stories and laughs, away from business.

Looking ahead to the next 12 months in Service with Australian Red Cross, ready to assist in any way we can.

Berry Branch Australian Red Cross, still relevant, still active.

Our meetings are held in the Berry Uniting Church Hall, 2pm, first Wednesday of each month. New members are always welcome.

Irene Birks, President

## Welcoming you back to 2026!

In a year that was hot and cold at times, 2025 finished with some solid momentum driven by our commitment to structure and focus on delivering results.

There is no one size fits all in our market and we love the challenge to personalise a marketing campaign to fit your needs. Informed decisions can only be made with information and that is where we come in. Our activity as a team is backed by results.

In 2025, we conducted 1,117 inspections via our open for inspection and private appointment scheduling, resulting in 85 completed transactions.

Activity driven and results focused, we bring the whole team.

January 2026 has started with a positive mindset and early activity indicates we are on the right path to ensuring we can get you sold.

As we kick off 2026, I wanted to take a moment to reflect on the incredible year that Hayley & Meg had in 2025. It wasn't just about the volume of transactions, but the connections made and the results delivered for our clients.

Our 2025 Snapshot:

- ★ 21 - Properties Sold
- ★ "3 x Large Acreages Sold (50 acres plus)
- ★ 7 x Lifestyle Properties Sold
- ★ \$5,175,000 - Our highest sale price of the year"

In Total:

- 270 x Open Homes hosted
- 208 x Private Inspections held
- 10 x Auctions conducted

A huge thank you to our vendors for their trust and persistence, we can't wait to make more real estate dreams come true in 2026!

Berry Printers have been our partners in producing the Berry Town Crier for nearly twenty years now and since we also engaged them to do our graphic design we have enjoyed excellent, seamless and on time production.

They are a local business (which is an important consideration for us) and a family owned and run business.

We certainly recommend them if you need any printing done, from shop signs to business cards and everything in between.

Thank you for your partnership with us. Berry Printers 4422 3774.

## DEVELOPMENT APPLICATIONS AND DETERMINATIONS

Here is a list of the most recent Shoalhaven City Council Development Applications and Determinations since the list was produced in the last Berry Town Crier. The information on how you can see details and follow these applications, to make submissions and to follow an application is provided in the Town Crier each month. It is also provided in the "Friends of the Berry Town Crier" Newsletters sent out regularly between editions of the Town Crier.

If a community member has an interest in any DA then all details are provided on the Council Web Site: <http://www.shoalhaven.nsw.gov.au/masterviewUI/modules/ApplicationMaster/Default.aspx> Development Application Tracking.

Also, you may note that there are an increased range of DA, PCD, MA titles to their number.

**"DA"** is Development Application and is still currently the standard application.

**"PCD"** is Private Complying Development an application being submitted and approved by a private Assessor. These are usually signed off and approved in a couple of days.

**"MA"** means Modified Application – sometimes previously described as a variation. But it is an application for a modification to an existing approval.

## Our clients say it best

“

**Amazing agent with knowledge and expertise second to none**

*Nicholas went above and beyond to sell the property under difficult circumstances, achieving an amazing result. His personal attention to detail and professionalism was outstanding. I would highly recommend Nicholas to anyone in the market, buying or selling.*

Seller – Berry

“

**Nick is a friendly and market savvy agent**

*Nick has a jovial and friendly disposition, who makes people feel at ease with the selling and purchasing process. He was spot on with our home's valuation and he pursued interested parties with gentle persistence. Nick held an open house when he perceived there were sufficient people to view the property and brought people at other times if that suited them better. We highly recommend Nick to any purchaser or seller.*

Paul – Meroo Meadow

“

**Nicholas performed his job expertly selling our property in 3 hours !**

*Nicholas's performance was no less than brilliant. He knows the market & potential purchasers. His follow up & after sale service was terrific. I would recommend him to anyone wanting to sell in the Berry area.*

Kelleah – Far Meadow

“

**Highly recommended agent**

*We have dealt with Nicholas twice now. Initially for the purchase of a block of land and most recently for the sale of our house in Berry. Both times he has provided a friendly, professional service that exceeded our expectations. He made buying/selling property very seemless and we would not deal with any other agent in Berry. We have no hesitation in highly recommending him.*

Daryl – Berry
